Flippin' Pain Community Outreach Tour | 12th-17th September 2021

This September, Flippin' Pain will embark on a world first Community Outreach Tour, right here in Lincolnshire. Renowned Pain Champions made up of pain scientists, healthcare professionals and patient advocates and keen cyclists, will be hopping on their bikes to take part in a peloton tour covering the length and breadth of the county. They will deliver the messages of the campaign to the people that need them most, via an array of free to attend public events.

Joining the riders will be our exciting pop up experience laboratory on wheels, the Brain Bus. An immersive, interactive and attention grabbing spectacle inviting people to experience first-hand some of the mind blowing lesser known phenomena of pain science. The tour will stop off at a multiple locations across the county, inviting people from all walks of life including medical professionals and those with persistent pain and their family and peers, to engage with the campaign. By collaborating with local authorities, health and care organisations and charity partners, Flippin' Pain will achieve significant reach and deliver impactful change within the Lincolnshire community.

Detail of all events including how to book a place via flippinpain.co.uk/news-events

Have your say

Help improve support for autistic people and their carers in Lincolnshire

The Lincolnshire Autism Partnership Board is asking autistic people, their families and carers for their views on how to ensure the county is a place that respects all autistic people and offers them the right support at the right time.

The feedback will be used to shape Lincolnshire's new five-year All Age Autism Strategy and action plan, ensuring it addresses the concerns that are most important to autistic people and their families.

To find more details on when the workshops are being held and how to book at place visit the website [here](#)

Tell us your views on future services at The Sidings Medical Practice

We are starting a process to determine who the provider for the GP Practice will be from July 2022.

We will be holding two patient engagement **events to give patients an opportunity to shape services that are provided as part of the new contract.**

You are invited to attend the following patient engagement events:

- **Thursday, 16 September 2021**, 6:30pm – 8.00pm at The Sidings Medical Practice , 14 Sleaford Rd, Boston PE21 8EG
