### **Feedback on Community Diagnostic Centre 2 (CDC)**

The NHS in Lincolnshire is currently working on the delivery of Community Diagnostic Centres (CDCs) across Lincolnshire. We are committed to engaging as widely as possible and in particular ensuring that members of the public are aware of future plans for the development of community diagnostic centres (CDC) in Lincolnshire and given the opportunity to help shape these.

We have previously engaged on what is important to the public in delivering diagnostic services and this feedback informed the development of our first CDC in Grantham which has recently opened and started treating patients.

**We are now asking for your views on our next phase of CDCs.**

Please tell us your views by [completing this survey](#)

### **Community Diagnostic Centres Patient Experience Survey**

## Bro Pro venues and activities

The poster for Bro Pro UK features a red background with white and black text. At the top, it says 'In association with' and shows logos for WJJC and another organization. The central logo reads 'BRO PRO UK'. The main text describes the organization as a safe space for men to meet, socialise, and talk, with sessions running weekly, fortnightly, and monthly. It encourages peer-to-peer support and offers access to counselling, therapy, and signposting. A red box contains the text 'It's OK not to be OK, not everyone knows that!'. Below this, it says 'We want to encourage men to step out, speak up and say just how they are really feeling. If you are reading our poster and if you think Bro Pro could help you, then drop us a message today!'. The slogan 'Guys, adjust that crown! Stand tall and know your worth! #StayGold' is prominently displayed. Contact information includes a phone number (07939 092585) and social media handles (@brotherhoodprojectuk). A section titled 'Locations & Leads' lists various venues and their leads, including Alford, Louth, Spilsby, Skegness, Mablethorpe, and Cleethorpes. A red starburst graphic says 'New Locations Near You!'. At the bottom, it provides the charity number (1846096) and a safety warning: 'If you are worried about someone's immediate safety/mental wellbeing please call 999 and ask for an ambulance and/or the police.'

## Pension Credit Day of Action

DWP's Pension Credit campaign is building towards a day of action on Wednesday 15 June.

National newspapers and social and digital channels have been carrying messages reminding pensioners they should check their eligibility for financial support.

The [Pension Credit calculator - GOV.UK \(www.gov.uk\)](#) is the quickest and easiest way to do this. The campaign aims to help with the challenges some pensioners are facing with the cost of living. On, and in the lead up to the Day of Action, the Minister for Pensions and Financial Inclusion, Guy Opperman has a range of media and digital activity planned.

We would appreciate your support in helping us spread our Pension Credit message. We have pulled together a variety of different content in the [Pension Credit toolkit: advice and guidance for stakeholders - GOV.UK \(www.gov.uk\)](#) which you can use on your channels. This toolkit is designed to provide some ideas and guidance for organisations wishing to encourage pensioners they have dealings with to claim Pension Credit where they might be entitled.
