Lincolnshire Mental Health Helpline Survey

Lincolnshire Partnership NHS Foundation Trust would like to invite you to undertake a short survey so that they can gauge the present levels of awareness regarding the Lincolnshire Mental Health Helpline.

The Lincolnshire Mental Health Helpline is a valuable resource, and it is therefore important that we understand the present level of people's knowledge of it.

The survey should take just a couple minutes of your time and the feedback you give will help us to identify areas for improvement and enable us to make the necessary changes so that the service is fit for the needs of those using it.
