This week's hot topic

Lincolnshire Community Health Services NHS Trust (LCHS) is the current provider of GP services at The Sidings Medical Practice. LCHS are contracted to provide these services until 30 June 2022. We are starting a process to determine who the provider for the GP Practice will be from July 2022.

We will be holding two patient engagement events to give patients an opportunity to shape services that are provided as part of the new contract.

You are invited to attend the following patient engagement events:

- **Saturday, 11 September 2021**, 8:30am – 12:00pm at the Boston Marketplace, PE21 6EJ – Stall (near the NatWest bank)
- **Thursday, 16 September 2021**, 6:30pm – 8.00pm at The Sidings Medical Practice, 14 Sleaford Rd, Boston PE21 8EG

Can you help us name our smoking in pregnancy website that is being created?

A little while ago we asked for your help in naming our smoking in pregnancy website. Thanks to all your great suggestions we now have a shortlist and would love you to help choose the final name.

To vote, please click on the link below and complete this short survey. We would like as many people as possible to get involved and select their favourite. Voting will close on **Wednesday 11th August** after which we will announce the winning name.
